Set to Léo Delibes' gorgeous Romantic score, Coppélia is one of ballet's most well-known and beloved stories. The comic and heartwarming tale revolves around Coppélia, a life-sized doll created by the eccentric Dr. Coppélius. Franz, not realizing she is a doll, is taken by Coppélia's beauty. Swanilda, betrothed to Franz, is jealous of his interest in Coppélia. When Swanilda and her friends sneak into Dr. Coppélius' workshop and discover Coppélia is actually a doll, the fun begins!

With a full cast, lavish costumes, colorful sets, and exciting dancing, Coppélia is not to be missed!

Teaching aids available on request prior to the performance: synopsis, composer information, and historical profile.
